TRAFFIC ADVISORY

Friday, September 2, 2005

(SAPULPA, Okla.) - Motorists should expect delays beginning **Tuesday, September 6th** as Bridge No. 81.4 and a two-mile segment of the Turner Turnpike from Sapulpa to the Creek Turnpike entrance is rehabilitated and widened.

The project was awarded to Sherwood Construction Company, Inc. and is scheduled to last through late next summer. During this period of construction, motorists will experience traffic shifts and narrowed lanes. Motorists are urged to observe warning signs, obey speed limits, and allow extra time.
